Plan less, live more

ENHET is easy to buy and equally easy to update if you need to, or simply feel like it. The playful design in different colours inspires you to adapt ENHET to reflect your personality. With a combination of closed cabinets and open shelves in stable metal frames you can display your favourite things and hide the rest. The unique wedge dowels make assembly easy and the fittings are nearly invisible. The ENHET kitchen units also come in different widths and depths, making them easy to adapt to a smaller space.
